

Certificate of Completion

This is to certify that

Jason Richards

has completed the Open University Mars Rover Simulation as a
member of Team Isidis between 9th and 14th February 2025

Signed:

Prof. Susanne P. Schwenzer

Dr. Ben Dryer

OU Mission Control

The activity provides a week-long intensive team building activity,
developing negotiation, communication, research, and risk
management skills through a realistic Mars Rover Operations scenario.
